Re: Objection to Proposed Abandonment – LTD Financial Services, Inc.
CASE No.: 23-34413
Chapter: 7

Nathan Ochsner, Clerk of Court

Your Honor,

I extend my sincere apologies for the delay in sending this correspondence. Our receipt of the Notice of Proposed Abandonment was only yesterday, likely attributed to delays during the holiday season.

I would like to bring to your attention that LTD Financial Services has an outstanding debt of \$7,280 to Programmers.io for services rendered and for that reason we would like to file an objection to the Proposed Abandonment. I kindly request guidance on the appropriate steps to be taken to facilitate the recovery of this amount.

Respectfully,

Anshul Choudhry

President
